

## Letter of Appreciation to the Community from the Diers Family

Our family would like to extend our gratitude to the wonderful people who helped in any way with the blood drives for our son Payton. A lot of you know him as #18 or the TCJ pitcher.

For those that were able to donate blood in Payton's name, thank you all. To see our community and our neighbor communities come together for such a great cause is truly amazing.

Payton is looking down on all of us with his big blue eyes and his great big beautiful smile. Thank you again, God bless each of you.
