4. REPORTS / DISCUSSIONS

A. SHAC (School Health Advisory Committee) Report

Board members were advised that JISD Head Nurse, Stephanie Wofford, will be presenting this report at the April board meeting.

B. Tech Prep Grant

CTE Director, Renee Risinger, advised board members of the \$1575 grant received from Career College Tech Prep of East Texas. She added that this may be the last year that anyone receives this grant award due to proposed budget cuts by the State. Ms. Risinger explained that these funds are designated for senior CTE students to visit and tour technical programs at Kilgore College, Panola College, TSTC Marshall, Trinity Valley Community College, and Tyler Junior College. There are currently 36 senior CTE students who are scheduled to tour four of these colleges.

Ms. Risinger also advised the Board that the Ag students had competed very well at the livestock show in Houston this past weekend by receiving four Blue Ribbons and one Red Ribbon. She added that this upcoming weekend is the Cherokee County Junior Livestock Show in Jacksonville, and she encouraged everyone to attend to see the various accomplishments of the students this year.

C. Discussion of Names for Two New Elementary Schools

This item was placed on the agenda for discussion by board member, Joe Casey. Mr. Casey reported that he sent a letter to the members of the JISD Facilities Committee advising them that he would like to see a committee formed to discuss names for the two elementary campuses that will begin construction this year. Those campuses are currently named East Side Elementary School and Joe Wright Elementary School. He stated that this construction is an excellent opportunity to explore changing the names of these campuses based on honoring local individuals who have had an impact on education in the community. He added that this does not necessarily mean that the names will change but that it is a good time for discussion of the possibility.

Board President, James Houser, will appoint a committee to gather input on the idea of these campus names. He appointed Joe Casey, Dale Jamerson, and Todd Travis as three board members to serve on the committee as well as the two elementary campus principals of these schools, Chuck Lowery and Brad Stewart. Other committee members will be chosen from JISD administrators and students as well as members from the JISD Facilities Committee. Mr. Houser asked that an update be given each month at the regular JISD board meeting until a recommendation has been made to the Board.

D. Discussion of Region VII Board of Directors Uncontested Election

Dr. Wardell advised board members that they will not receive a ballot to vote in the Region 7 Board of Directors Election. The two candidates, Charles Penney and Hugh Mixon, are unopposed and certified as elected.

E. May Board Meeting Date – Proposed Change from 16<sup>th</sup> to 23<sup>rd</sup>

Dr. Wardell proposed to the Board that the May board meeting date change from the 16<sup>th</sup> to the 23<sup>rd</sup>. The date change was initially based on canvassing election votes at the meeting to align with election requirements. He added that the requirement no longer applies since the election has been cancelled but that other district events including the Sports Banquet have already been scheduled for the 16<sup>th</sup>. He recommended that the May board meeting be held on the 23<sup>rd</sup> to avoid schedule conflicts. The Board was in agreement.
